Staffing

Home Economics. We are grateful to Mrs Christine Baxter for covering Home Economics during Mrs Beaton's maternity leave.

Good to see Mrs Beaton back with us.

Wind Turbine

The school wind turbine is to be officially handed over to the Council on Monday 3 March 11.30.

Mr Alasdair Allan (MSP), Mr Angus Brendan MacNeill (MP), Mr Archie Campbell (Councillor), Angus Monk (Local SSE Manager) and Theona Morrison (Enterprise) will be in attendance.

SSE will hand over a cheque for £9,900 to Council as contribution to the cost of the turbine.

We ask that all pupils should be in school uniform and suggest that pupils directly involved in the initial wind turbine competition wear shirt & tie.

Curriculum for Excellence

As part of our school preparation for the new Curriculum for Excellence a cross-curricular focus on 'Climate Change' is to take place on Tuesday 4th & Wednesday 5th March.

Social Subjects, Technical, I.T., Science & English will feature in this programme of study which involves P7-S2 pupils.

P7 pupils from Lochmaddy and Carinish will join us for the 2 days.

Primary pupils will also participate in various environment related activities during the week. e.g. Drama, workshops etc.

KITS FOR KIDS

School would welcome tokens from the Daily Record and Sunday Mail for KITS FOR KIDS to be exchanged for football strips. Tokens can be given to Andrew MacSween or Calum MacRitchie.

Recycle

Please save the plastic tops from milk cartons. We have entered a competition within the Western Isles to collect as many as we can per head. ALL COLOURS WELCOME.

We also recycle old mobile phones & ink cartridges.
