

Flags of the World

Isle of Man

- The legs on the flag are going anti-clockwise so they don't kneel to the British!
- Scotland and England were both trying to take the country off them so it won't become independent so they don't want to kneel to them.

Bahamas

- The yellow stripe stands for the 700 sandy beaches of the Bahamian flags.

South Africa

Zimbabwe

Jamaica

- The yellowy/golden saltier represents the wealth of Jamaica and sunlight.
- The green triangles represent hope and agriculture.
- The black triangles stand for the problems Jamaica has overcome and the problems it may face in future.
