

Former Pupil wins Nationwide Speaking Competition

On Friday 30th May former pupil Nadine Froughi and Morag Wells, S4 competed in a National Speaking competition about minority populations in the European Union. Their speech was on the Roma population (more commonly known as Gypsies) in Romania.

There had already been a local heat in the council chambers in Stornoway against the Nicholson Institute and Sir.E.Scott School from Harris, which had taken place in April.

The final of the competition took place in Glasgow City Chambers and the girls competed against 10 other schools from around Scotland and the prize for winning was a small trophy and a trip to Brussels, which takes place in October.
