THE SEA

Secondary pupils are still looking for traditional recipes for fish and shellfish. These recipes will be tested and the most popular ones will be used for a recipe calendar as part of 'The Sea' project. Recipes can be handed in to the Home Economics Department.

POUNDS AND PENCE!

Upper Primary pupils have been thinking about money and prices as part of a mini topic. Children are being encouraged to think about everyday finances supported by amusing illustrations and practical examples. One section studied 'bartering'. This led to a "Swap Shop" where pupils exchanged their toys, books, DVD's etc.

It is hoped to hold a whole school Swap Shop after the February long week. Look out items for recycling!
