

PG1/2/3 hard at work weeding our front garden, which we hope to turn into an outside classroom as part of our Eco school plans. They remembered the story of 'An Tuineap Mòr' and were all pulling out the weed as told in the story! **Room 1**

Room 7
P 4-7 are reading 'The Hedgehog' by Dick King-Smith. We have been writing, reading and researching things about hedgehogs. We have also been reminding ourselves road safety rules. We sang 'King of the Road' at a Get together.

I am on a hedgehog hunt looking for clues so that I can answer some questions about hedgehogs.

Còisir Sgoil Phaibil

We wish our pupils good luck when they participate in the Barra Mod on Saturday 1st October. An early start for staff and pupils but we hope they enjoy their day.

Kitchen Assistant Awards

Every week all pupils participate in cooking or baking sessions in the home economics room organised by Celia & Cirsty. Pupils experience hands-on cooking/baking in a fun and relaxed environment. They learn how to tidy up afterwards, wash and dry dishes etc. All very worthwhile skills which we hope you are able to continue at home.

Every month we hope to award certificates to the diligent kitchen workers. This month Stephen Macisaac P2, Iona Bianchi P4, John Scanlon P4 & Jamie MacKinnon P7 were presented with certificates at our weekly "Get together". Well done all four!

Who will be the October winners?

Pupil Council

The council have elected Mata Macisaac as chairperson and Jessica Rose as secretary. They have recently met and discussed some fund raising. They plan to hold a "Poundland" type sale next term. Everything will be £1 or 2 for £1 or 3 for £1 etc. Please start to collect any toys, books or ornaments which you do not require and send them in to school. The pupil council will store items until required next term.

Playground Awards

Our new primary 1 pupils have settled into school extremely well. At our weekly "Get together" they were presented with certificates by their Primary 7 buddies. The certificates were to thank them for being "stars in the playground"

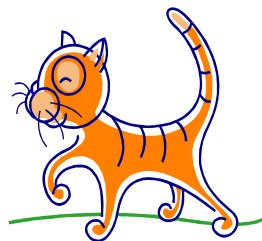

SNAG

This group have chosen Kenny Mackillop as chairperson and John Scanlon as secretary. At their last meeting they became aware of an educational web site on healthy eating. We hope you find it very interesting. (please see enclosed leaflet) The group has also decided to change the regular "toast Friday" on one occasion each month. When it is the last Friday of the month and toy day there will be toppings available for the toast at the same price of 20p.

We have been receiving letters from Mr Grinling, the lighthouse keeper. He has been telling us lots of things about lighthouses and we have been helping him eat healthy lunches. Hopefully we will get to meet Mr Grinling one day and his furry cat Hamish!

Room 5

We have some bulbs to plant which we hope will be flowering early next year; however we have very few containers for them. If you, family members or friends have anything we could use we'd be very grateful. (old kettles, sinks, tubs , planters etc)

SWIMMING TUITION

From Thursday 3rd November all P5 & P6

pupils will take part in swimming tuition for 6 weeks up to Dec 8th. There will be 10 further lessons during term 3. Further details will be sent to parents after the October holiday.

Scottish Rugby Team Last session primaries 4,5,6,7 took part in a keep fit & healthy initiative promoted by the Scottish Rugby Assoc. The present P5,6 and 7 recently accepted a signed picture from the team. It is now displayed in the foyer.
